

JULY 2026

What's Going On This Month at TMBS

Happy 4th of July!

From all of us at TMBS, we wish you, your team, and your families a safe and enjoyable Independence Day.

Monsoon Season is Approaching!

Arizona's monsoon season has officially begun, bringing the potential for high winds, heavy rain, lightening, and blowing dust. Prepare now to avoid costly emergency repairs later!

Cleaning roof drains, gutters, and scuppers to prevent water buildup.

Inspecting doors, windows, and exterior seals for air and water gaps.

Ensure exterior and emergency lighting systems are functioning properly.

Verify parking lot drainage and indentify standing water risks.
